

NOTICE OF OPEN HOUSE
PUBLIC COMMUNITY ENGAGEMENT MEETING
Grand Energy Storage

Samsung Renewable Energy Inc. (Samsung) and Pattern Energy Group (Pattern) are proposing the development of a battery energy storage project with a potential capacity of 300 MW in Haldimand County. See the map of the area below.

We invite you to our in-person public community engagement meeting to learn more about the project. Should the project be awarded a contract by the IESO, Samsung/Pattern will work on obtaining all required provincial and municipal permits and approvals while continuing engagement efforts with the community. Project updates and resources will also be made available on the project website - GrandEnergyStorage.ca.
